

PUBLIC DECLARATION

The Zero Carbon Project is part of Schneider Electric's external commitment on sustainability. The progress and process are being reported in the group's annual sustainability report. All the data & process are audited by an independent external agency. As we don't do any data audit for our TZCP suppliers, we request them to declare their emission figures, progress, and target on public domain.

	Base Year - 2019	Most recent Year - 2024
Scope 1 emission in Tons	66.51	51.18
Scope 2 emission in Tons	606	713

Our CO2e intensity (per unit of sales) was reduced by 59% from **2019** to **2024**.

Our target is to reduce CO2e intensity (per unit of sales) by **65%** by **2025**.
